

MedCare Milestones offers

r.a.d. KIDS

A safety education class providing children with proven & effective life saving skills.

radKIDS teaches positive, safe choices for children 5-12 years of age to handle abuse, bullying and abduction as well as everyday safety issues. It gives children the confidence, skills, and self-esteem to recognize, resist, and if necessary, escape violence. A 10-hour curriculum is taught over several days and covers a wide range of subjects including:

- *Safety at home, at play and at school
- *Responses to bullying
- *Avoiding and, if necessary, escaping predators
- *Good, bad, and uncomfortable touch
- *Internet safety
- *Planning for emergencies such as fire and natural disasters.
- *Physical techniques to escape dangerous situations

“The program is very practical and easily understood by children.”

-Ray W. Morgan,
Assistant Superintendent of
Provo City School District

Children will become empowered and learn to replace the fear, confusion and panic of dangerous situations with confidence, personal safety skills and self-esteem. Cost is \$25.00 per child.

Class will be held on
Friday, 10/10/08 from 6-9 p.m.
Saturday, 10/11/08 from 9 a.m.-Noon
Sunday, 10/12/08 from 10 a.m.-2 p.m.
at MedCare's Stafford office located at
